A Great Event for a Great Cause

On behalf of all involved in the organization and preparation for the 8th Annual Don LaBerge Memorial Golf Classic, I would like to welcome and thank all of the participants and sponsors of this year's event. It is your commitment and generosity that makes this event possible.

Since this event began; friends, family, and colleagues have come together to share a great day on the golf course and raise funds to continue to support cancer research, prevention, treatment, and care for Albertans. Last year's donation total was over \$20,000. This brings the total donation amount to \$131,376. An incredible contribution made possible by all of you. With your continued support this year, we can continue to provide the funding to assist the expenses for patients and their families. This important event also allows all of us to remember Don LaBerge and reflect on how he was an inspiration and consummate professional every day. He was a mentor to many of us and his kindness, knowledge and leadership was unsurpassed.

Thank you again for contributing both funds and your time today. I truly hope you enjoy the tournament, while helping support the tremendous cause it represents.

Tony Ciarla
Tournament Chairman

Texas Scramble Classic Rules

1. Each team must use at least three (3) drives from each player.
2. Mulligans (\$5 each no limit) are nontransferable, and can be used anywhere on the golf course. Team captain is to record each mulligan by marking the scorecard with an "M" beside the player's name on the hole that a mulligan is used.
3. Once the shot has been selected, it must be taken within a one (1) foot radius of the original ball, not closer to the hole. If the ball selected is in the rough or hazard, the ball must be played from there.
4. Shots used to qualify for hole prizes do not have to be the shot your team selects for the tournament. (i.e. if you have 3 drives you may still hit for the long drive competition.)

Money collected for Mulligans will be entered into multiple 50/50 draws.
